

Data Science Scholarships 2019-20

The Lightricks scholarship program aims to help students become leaders in the fields of machine learning and data science.

As part of our commitment, Lightricks grants scholarships to first year master degree students that are studying statistics at the Hebrew University of Jerusalem.

Selected students will receive 13,800 ILS to cover tuition fees and an additional 5,000 ILS per month, for 12 months, for the 2019-20 school year.

If you're...

- Currently enrolled as a master degree student with the Department of Statistics, at Hebrew University for the 2018-19 academic year
- Planning to enroll as a full-time student with the Department of Statistics at Hebrew University for the 2019-20 academic year
- Guaranteed to maintain a strong academic performance

Then, apply now!

Applicants should upload their CV and academic transcripts from their current and prior institutions to: <https://scholarships.ekmd.huji.ac.il>

Submission deadline:

May 12th 2019
